Workshop “Azores Earthquakes, Rocks and Volcanoes”

29th - 30th of September 2012

at Regional Laboratory of Civil Engineering
(LREC) at Ponta Delgada

Announcement

The Azores Regional Government through its Government Department for Science, Technology and Collective Facilities (SRCTE) and Regional Laboratory of Civil Engineering (LREC) in collaboration with the Azores University and SPES – Portuguese Earthquake Engineering Society, announces the Workshop "Azores Earthquakes, Rocks and Volcanoes" to be held, in the frame of the 15th World Conference on Earthquake Engineering, at LREC, in Ponta Delgada (Azores, Portugal) from 29th to 30th of September 2012, just after the end of the World Conference.

This Workshop will offer a good opportunity for a forum on several issues related with Seismology and Earthquake Engineering.

It will also provide an excellent occasion to visit and enjoy the beautiful volcanic landscape of S. Miguel Island.

Language

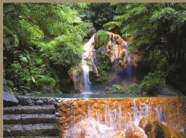

The official language of the workshop is English.

Date and Place

The International Workshop "Azores Earthquakes, Rocks and Volcanoes" will be held from 29th to 30th September, at Laboratório Regional de Engenharia Civil, Rua de São Gonçalo s/nº, Ponta Delgada.

General Programme

- September, 28th - Fly to Ponta Delgada, Azores
- September, 29th - Public Session and Technical Visits
- September, 30th - Field Trip and travel to Lisbon

Detailed Programme

Hour	28 Sep Friday	29 Sep Saturday	30 Sep Sunday
08:00	15 th World Conf. Earthquake Engineering (Lisbon)	Reception at LREC	Field Trip
09:00		Public Session	
12:00		Closing Session	
13:00		working lunch	working lunch
14:00		Technical visit to LREC reaction wall	
15:30		Technical visit to Azores Univ. Seismic Array	Field Trip
17:00		Technical Visit to Gruta do Carvão lava cave	Furnas Volcano and fumarolic fields
19:00			
20:00	Departure LIS at 20:30	dinner (free)	Departure PDL at 21:00
21:00	Arrival PDL at 21:45		Arrival (Oct, 1 st) LIS at 00:05

Minimum of participants: 30

Maximum of participants: 100
